

About Us

Who we are, where we come from, and where we're headed as a church family

Who we are

Here's the deal, Hope Church cares about one thing more than anything else, Jesus Christ. Hope Church is a family of individuals that have found hope in Jesus, and simply want as many people as possible to experience that exact same freedom.

Where we come from

Hope Church was started in 2012 by a trio of families. Back then, this trio of families imagined a church that was truly welcoming to everyone - where everyone had a seat at the table regardless of personal history, family background, ethnicity, or gender. Hope hosted its first gathering in late 2012.

Where we're headed

What's the bottom line? More than ever, Hope Church is committed to fostering a family built around hope. Hope for the future. Hope for better. Hope for progress. Hope in Jesus. And as we move forward as a church family, inclusion and belonging remain at the center of who we are as followers of Christ.

What this means for you

What does this mean for you? Most importantly, you're always welcome at Hope Church. We're saving a seat for you. Wherever you're at in your faith journey, you'll always be accepted as part of the Hope family.

Where we come from: In this section, provide a bit of historical background about the origins of your church. How did it get started? What was it like in the early days?

Where we're headed: In the previous section, you talked about the past, now switch your sights to the future. What's next for your church? Where are you headed?

What this means for you: Most "About Us" pages are purely inward focused. Avoid this trap by shifting the perspective of the "About Us" page in the final section. Shift the perspective from you, the church, to me, your audience. Why do I care about any of this? What role do I play? How can I be a part of this too?
