Kids Ministry at Hope Church

At Hope Church our kids (infant through 8th grade) experience safe, ageappropriate environments where they learn about Jesus in a creative and relevant way.

We would love to see you and your family visit Hope Kids. To find the Hope Church location closest to you, **browse our locations here**.

Your first visit

Here's what to expect whenvisiting Hope Kids for the first time:

First, find the area marked for first-time families. There we will meet your family, check your child into our system, and then one of our volunteers will lead your child to their age-appropriate room.

Upon checking in for the first time, we will ask for the following **personal** information (NOTE: We value your privacy and will not share this information with anyone):

- Parent/guardian name(s)
- Child's name
- Child's birthdate
- Home address
- Phone number
- Any special instructions (allergies, special needs) for your children

PLAN A VISIT

How check-in works

Before Service: You can check-in your child at any available kiosk. After finding your child's name in the database, you and your child will be given matching name tags that are exclusive to your family and your visit. Your child will need to wear the name tag portion while you hold on to the matching tag.

After Service: After the service is complete, you will return to your child's room and show your tag in order for your child to be released back to you.

During Service: In the event that we need to contact you during the service, your child's identification code will appear on the screen. We ask that you exit the auditorium immediately and look for a staff member or volunteer who will direct you to your child's room.

Parent's Viewing Room

Every Hope Church campus offers childcare during service for infants. But we also have a Parent's Viewing Room that is available at every campus for mothers and fathers with infants. This room is reserved exclusively for parents with infants to enjoy the service in a more private and quiet environment.

Meet our Kids Director

Daniel Chase joined the Hope Church leadership team in 2016 as the Director of Kids Ministry. Daniel is currently completing his Master's degree in early child development.

"At Hope Church, we want your kids to have a blast learning about Jesus in a safe atmosphere." - Daniel Chase, Director of Kids Ministry

CONTACT US

Kids Ministry at Hope Church: "What do you have for my kids?" This is a fundamental question that many parents will need answered before they attend your church for the first time. The primary aim of your website's kids ministry page is to provide any and all relevant information a parent would need before attending your church.

Copy-N-Paste (Insert your church name and details as necessary): "At Hope Church our kids (infant through 8th grade) experience safe, age-appropriate environments where they learn about Jesus in a creative and relevant way."

Your first visit: Handing your kids off to be cared for by strangers can be a terrifying prospect for parents. Put them at ease by explaining what to expect upon a first-time visit to your kids ministry.

Copy-N-Paste (Insert your church name and details as necessary): "Here's what to expect when visiting Hope Kids for the first time: First, find the area marked for first-time families. There we will meet your family, check your child into our system, and then one of our volunteers will lead your child to their age-appropriate room. Upon checking in for the first time, we will ask for the following personal information (NOTE: We value your privacy and will not share this information with anyone): parent/guardian name(s), child's name, child's birthdate, home address, phone number, and any special instructions (allergies, special needs) for your children."

How check-in works: A safe and secure check-in is an imperative for every kids ministry, but it can also be a tedious process. Use the "How check-in works" section of your kids ministry page to explain how the process of a check-in proceeds at your church.

Parent's viewing room: Spending extended time seated in a church service can be a daunting proposition for parents with infants. Dedicate a portion of your kids ministry page to acknowledging this difficulty and explaining the amenities that your church offers.

Meet our Kids Director: Introduce your kids director on your kids ministry page to familiarize new visitors with the team that will be looking after their children. Include a quote from your kids director (we call this the "can't-miss-quote" technique) to instantly build rapport between parents and your kids ministry team.

Got questions?: As much as possible, this kids ministry page template tries to cover all the bases. But there will always be items that get overlooked or simply need further clarification. Ensure your kids ministry page has an easy link to a contact form to allow for questions from parents and families.
